

ALWAYS A LOCAL/GLOBAL PERSPECTIVE FOR AN ACTIONABLE RISK ASSESSMENT

SkyMinder Credit Report can be split into two clusters depending on the Risk Assessment availability in different countries:

CLUSTER 1: Availability of Local Risk Assessment and of SkyMinder Risk Grade

CLUSTER 2: Only Local Risk Assessment available

LOCAL RISK ASSESSMENT

Local scale and name, keeping country granularity and characteristics of each country.

Best predictive power for better decisions.

SKYMINDER RISK GRADE

Local Risk Assessments based on local classifications re-mapped to a common scale to better understand how a company is positioned globally.
